VALUES EDUCATION

- 1. Character Education Workshops:** in TSS Sainik School Morena we will organize workshops focusing on character traits like honesty, respect, empathy, and responsibility. These workshops can include discussions, role-playing exercises, and group activities to explore and reinforce these values.
- 2. Service-Learning Projects:** Here in TSS Sainik School Morena we will provide chances to engage students in service-learning projects that allow them to apply their knowledge and skills to address real community needs. This not only fosters a sense of social responsibility but also helps students develop empathy and compassion.
- 3. Moral Dilemma Discussions:** In TSS Sainik School Morena, we will facilitate discussions about moral dilemmas and ethical decision-making. Present students with scenarios and encourage them to analyze the situations, consider different perspectives, and discuss the implications of their choices.
- 4. Values-Based Storytelling:** Use of storytelling as a tool to convey moral lessons and values. Share stories from various cultures and traditions that highlight virtues such as kindness, courage, and integrity.
- 5. Peer Mentoring Programs:** Establishment of peer mentoring programs where older students serve as mentors to younger students, guiding them in developing positive attitudes, behaviors, and values
- 6. Community Service Projects:** We at TSS Sainik School Morena will encourage students to participate in community service projects, such as volunteering at local shelters, organizing fundraisers for charities, or participating in environmental clean-up efforts. These experiences foster a sense of civic engagement and altruism.
- 7. Debate and Discussion Clubs:** TSS Sainik School Morena will organise debate and discussion clubs where students can engage in respectful dialogue on current events, social issues, and ethical dilemmas. These activities encourage critical thinking and help students articulate their values and beliefs.
- 8. Students will maintain reflective journals,** where they can record their thoughts, experiences, and insights related to values education. Encourage them to reflect on their own behavior, decision-making processes, and the impact of their actions on others.
